

HELP US FIND A CURE FOR DIABETES!

Dear Family and Friends,

Everyday our family tackles the full spectrum of living with Diabetes and its impact on people we love. Together with University of Michigan Medicine Center and Event Chair Steven Shaya, M.D., we are pleased to invite you to join us for the 9th Annual Casino Royale on Saturday, October 12, 2019, at the Ford Community & Performing Arts Center. Your continued support is vital to the advancement and research, which affect our families and those in our community.

Casino Royale is a high energy event that includes a fun filled reception followed by great food stations presented by Antonio's and partner sponsors, Casino Wild gaming on authentic tables with professional dealers, live band, entertainers, dancing, 52 card-raffle, grand prizes and a silent and live auction with noted auctioneer Christopher Aslanian.

This event supports the University of Michigan Medicine Center and their cutting-edge research in education and treatment of Diabetes. We are proud to partner with this team of world-renowned scientists who are leaders in their fields; whose focus is to understand, improve, prevent, and cure diabetes.

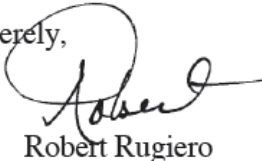

Last year we received tremendous sponsorship support from our community. We hope to multiply our sponsors this year and double this number. Your sponsorship in support of Diabetes research at U-M will make a profound difference in people's lives. Please accept our heartfelt thank you for your valued support and participation.

Again, thank you. If you have any questions, please contact Paula Bjertness at 734-981-9800 or email rpromise@yahoo.com.

Yours Sincerely,

Anthony Rugiero
