

HELP US FIND A CURE FOR DIABETES!

September 5, 2020

Dear Friends of Rugiero Promise Foundation,

We know our entire community has been impacted by these uncertain times and that is why we're doing things a bit differently for our annual event benefiting Diabetes. It is more important than ever to fight this horrible disease.

The Rugiero Promise Foundation invites you to support the 2020 **VIRTUAL CASINO ROYALE SILENT AUCTION AND RAFFLE** as a sponsor or donate an auction item. This three-day event is scheduled to start October 22, 12:00 p.m. and end October 24, 2020, 8:00 p.m. held online at <http://www.rugieropromise.org/Events>.

Casino Royale annually supports the University of Michigan Medicine Diabetes Center and their cutting-edge research in education and treatment of Diabetes. We are proud to partner with this team of world-renowned scientists who are leaders in their fields; whose focus is to understand, improve, prevent, and cure diabetes.

We need your support more than ever!

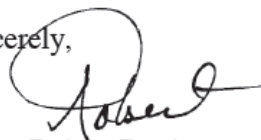

Working together we can change the future of diabetes and support the families living with Diabetes in our community. We are pleased to offer recognition for your important and kind donation. We ask that you return the attached form via email to rpromisefund@yahoo.com or call Ann Clark at 313.590.7493. Your prompt response is appreciated. THANK YOU.

Information on how to connect online to the **VIRTUAL CASINO ROYALE SILENT AUCTION AND RAFFLE** visit our updated website: <http://www.rugieropromise.org/Events>.

Yours Sincerely,

Anthony Rugiero
